CARPET DISPOSAL

If you are disposing of carpet, please have your carpet in 4-foot long tied-up rolls and call Waste Management at 414-761-2100 for a special pickup. There is a charge for this removal.

HELP KEEP HIGHWAYS CLEAN

Please put your refuse in garbage bags and do not put garbage loose in containers. Loose garbage is ending up on the highways; especially on windy days if not bagged.

GARBAGE REMINDER

When preparing your garbage for collection, please mark or separate any broken glass that is in your garbage. By doing this, this eliminates the number of injuries of waste haulers being cut from unmarked broken glass in garbage bags.

CHRISTMAS TREE DISPOSAL

Waste Management will be collecting Christmas Trees placed in an upright position at the roadside. If you have any questions regarding Christmas Tree removal, call 1-800-640-5571 or 262-251-4000. Please remove all decorations.
